American Indians can continue or begin to use tribal and Indian Health Services (IHS) clinics. We will not require prior approval or impose any condition for you to get services at these clinics. For elders age 65 years and older this includes Elderly Waiver (EW) services accessed through the tribe. If a doctor or other provider in a tribal or IHS clinic refers you to a provider in our network, we will not require you to see your primary care provider prior to the referral.

Enrolling in this health plan does not guarantee you can see a particular provider on this list. If you want to make sure, you should call that provider to ask whether he or she is still part of this health plan. You should also ask if he or she is Accepting New Patients: Yes. This health plan may not cover all your health care costs. Read your Member Handbook carefully to find out what is covered.

INTRODUCTION

This directory includes primary care providers and specialists available to members as of September 2020. You can find the most recent provider information online. Click on the search button. Call Member Services at 612-596-1036 (TTY: 1-800-627-3529) with questions about a provider.

You must get your health care from our providers. There are some exceptions like emergency, urgent care, open access services, and other previously authorized services. Please call Member Services if you have questions about which provider to use.

Members receive primary care and specialty services. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members.

Call 911 or go the closest emergency room if you have an emergency that needs treatment right away. You can call the 24/7 nurse line at 1-888-859-0202 (TTY: 711) for professional medical advice.

Members with Medicare must use a prescription drug plan for covered drugs. Contact your prescription drug plan if you have questions about how to get drugs.

IMPORTANT INFORMATION

Care Coordination

Many clinics can work with members to make a care plan for your needs. To learn more about care coordination services, call Member Services at 612-596-1036 (TTY: 1-800-627-3529).

Clinics

You can go to any primary care clinic that's listed in this directory or our online provider search at www.hennepinhealth.org. Hennepin Health does not require that you choose a primary care provider (PCP)/primary care clinic (PCC) or care system. Please confirm with Member Services that your clinic is still a provider with our health plan. To do so, call Member Services at 612-596-1036 (TTY: 1-800-627-3529).

Cost Sharing

You may be required to pay an amount toward some health care services. This is called cost sharing. Some examples of cost sharing are copays or deductibles for certain services. You are responsible to pay your cost sharing amount directly to your pharmacy or health care provider. You can get a Member Handbook with more information about cost sharing.

Interpreter Services

American Sign Language (ASL) and language interpreter services are available to help you get services. Oral interpretation can be given to you in your language. You may be able to get written information in your language. To get assistance with using Hennepin Health's interpreter services, call Member Services at 612-596-1036 (TTY: 1-800-627-3529).

Member Handbook

To get detailed information about covered health care services, see your Member Handbook. It also explains your rights and responsibilities as a member of Hennepin Health. Contact Member Services at 612-596-1036 (TTY: 1-800-627-3529). You can ask for a printed copy of the Member Handbook at any time. You may contact Member Services at 612-596-1036 (TTY: 1-800-627-3529) and request a printed copy or download a copy from <https://www.hennepinhealth.org/>.

Member Identification (ID) Cards

You must show your health plan member identification (ID) card when you get health care services. This includes when you get a prescription filled. We will send your member ID card by U.S. mail. If you do not receive your card or need a replacement card, call Member Services at 612-596-1036 (TTY:1-800-627-3529).

Service Accessibility

If you need special access to get services from a provider, you can get information by calling Member Services at 612-596-1036 (TTY: 1-800-627-3529). This could include, but is not limited to, accessible office, exam room, and equipment.

Service Authorization

You must get our approval before you can get certain services or before we will pay for them. You do not need a referral or authorization to see a provider or specialist in our network. An authorization is required if your health care provider sends you outside of the network. The out-of-network provider must be a provider, accept our rates and be willing to see our members. More information about which services require service authorization is in your member handbook.
